Change Table

Custom Liner Colours

Aquarius

A standard shower trolley designed to meet challenging budget constraints.

Key Benefits

Safe & secure: The dropsides fold underneath the top and the liner side lays down to provide gap free patient transfers.

Hygiene conscious: Tilt the top 6 degrees and lower the drain hose tip to quickly remove waste water.

Custom adjustments: Raise or lower the height of your trolley to suit bed transfer or best working positions. You can also lock the removable end rails into two positions, allowing 120mm extra space for longer patients.

Why Buy?

We are able to bring our Modsel shower trolley design quality to you at an affordable price, helping to meet tight budget constraints and maximising the number of working units available.

The refined framework and proven mechanics awards long life value and consists of considered, easy to clean surfaces coupled with quality twin wheel castors to ensure the highest level of manoeuvrability.

Aquarius

Safe Transfer

The dropsides fold underneath the top and the liner side lays down to provide gap free patient transfer.

Easy drainage

Tilt the top and lower the drain hose tip to quickly remove waste water.

Height adjustment

Raise or lower the height of your trolley to suit bed transfers or best working positions.

Length adjustment

Lock the removable end rails (on each end of the top) into two positions, allowing 120mm extra space for longer patients.

Junior size option

A special junior sized shower trolley developed for small patients. Working with children or small adults may not require a full sized shower trolley. Our junior sized version is also easier to move around in tight facilities and for storage.

Specifications

Size: 795 W x 1950mm including bumpers

Liner Inner Base Size: 550 W x 1700 L x 180mm Deep

Standard Hose Length: 1100mm, custom lengths available

SWL: 180kg

Height Range: 680 to 880mm

Castor Size: Quality 125mm twin wheel castors with total lock and steer

Junior Liner Base Size: 550 W x 1450 L x 180mm Deep

Product Code

Aquarius - MST-AQM

Aquarius Junior - MST-AQM-J

Aquatuff

A stainless steel shower trolley with hydraulically operated 300kg SWL and wide top option.

Key Benefits

Safe & secure: The dropsides fold underneath the top and the liner side lays down to provide gap free patient transfers.

Hygiene conscious: Tilt the top 2 degrees and lower the drain hose tip to quickly remove waste water.

Custom adjustments: Raise or lower the height of your trolley to suit bed transfer or best working positions. You can also lock the removable end rails into two positions, allowing 120mm extra space for longer patients.

Why Buy?

Having equipment that is robust and completely reliable is of the utmost importance when caring for larger or heavier patients. We have over-engineered the componentry strength in this design and our decision to use total stainless steel reinforces the lifetime of value that this bariatric shower trolley will give. The hydraulic operation helps to safely lift 300kg without overload, whilst four twin wheels with brakes and wider top all increase versatility in special needs.

Aquatuff

Safe transfer

The dropsides fold underneath the top and the liner side lays down to provide gap free patient transfer.

Easy drainage

Tilt the top and lower the drain hose tip to quickly remove waste water.

Height adjustment

Raise or lower the height of your trolley to suit bed transfers or best working positions.

Length adjustment

Lock the removable end rails (on each end of the top) into two positions, allowing 120mm extra space for longer patients.

Wide top option

Add a 100mm wider top for larger patients with wide shoulders.

Specifications

Change Table

A purpose built, non-slip change mat for a solid, height adjustable and safe patient platform.

Key Benefits

Safe & secure: The fold up dropsides and removable end rails ensure high levels of patient safety when required.

Customisable design: Tailor to your requirements with options such as electric high/low, 300kg SWL and wide tops.

Why Buy?

This change mat expands the use of the Aquarius trolley into a very safe, height adjustable change table with multi-position, removable end rails and full length dropsides that fold back underneath the trolley top for ample work clearance. The mat securely fastens underneath the trolley top to prevent sliding and movement. This trolley is designed for harsh use and able to be rigorously cleaned.

Change Table

Safe design

The fold up dropsides and removeable end rails ensure a high level of patient safety when required.

Customise

Tailor to your requirements with options such as electric high/low, 300kg SWL and wide tops.

Specifications

Size: 795 W x 1950mm including bumpers and 25mm high density foam core

Patient Surface Size: 600 W x 1820mm Long

Height Range: 60 to 900mm (depending on trolley model)

SWL: Hydraulic 180kg or electric 300kg

Castor Size: Quality 125mm twin wheel castors with total lock and steer

Options: Both junior and wider sized available

- Seat size; 680 W x 660mm D
- Seat height; 510mm
- 300kg safe working load
- 2 year warranty

Product Code

- SCHC-TXXL

Why Buy

In addition to being used as a shower chair, it can also be used as a toileting system that can be wheeled over the toilet. The Tango Bariatric Hygiene Chair includes an ergonomic shaped backrest and seat which provides comfort and security to the user. It comes with large comfortable footrests with calf support that can be swivelled or removed making it easier for the user to sit down or stand up.

Reflex Hygiene Chair - Electric

Height-adjustable, electric shower-toilet chair, to care for and wash clients in an ergonomically responsible manner.

Key Benefits

- Electrically operated height settings (variable) and tilt mechanism
- Easy-to-use touch controls on backrest with optional handset
- Height and depth adjustable headrest
- Ergonomically designed backrest and seat
- Height-adjustable legrests and calf support option
- Foldable swivel armrests with front over safety locking arms
- Suitable for use in the shower and toilet
- Carrier for stainless steel commode pan
- 4 x 125mm braking castors
- Easy to recharge with battery charger provided
- Overall size; 660 W x 880mm D x 1180 - 1680mm H
- Seat size; 460 x 460mm
- Seat height; 500 - 1000mm
- Backrest height; 500mm
- 135kg safe working load
- 2 year warranty

Product Code

- SCHC-R

Why Buy

Comfort is the primary consideration for both the client and the carer. The Reflex can be used as a toilet chair, in combination with a bedpan / bucket. This chair provides the same comfort as a regular chair and offers the same degree of support, however can be electrically, gradually adjusted in height, in relation to the base frame. The chair component of the Reflex can be tilted backwards to 30 degrees. The Reflex is thus a multi-functional device with essential, unique performances.

Optional leg comfort supports

Elexo Bariatric Hygiene Chair - Electric

Have relief from physical strain by caring for obese clients with a height-adjustable, extra-wide, shower-toilet chair.

Key Benefits

- Simple electric high/low adjustment with battery indicators
- Tilt adjustment to a maximum of 17 degrees
- 125mm castors, 3 locking and 1 directional
- Extremely stable due to the fitting of 2 lifting motors
- Carrier for commode bowl or bedpan
- With sleep mode setting after 60 minutes
- Simple to recharge with charger included
- Folding and extendable armrests
- 2 piece seat with hygiene opening
- Ergonomic calf supports and swing away detachable footrests
- Overall size; 700 W x 820mm D x 1020 - 1570mm H
- Seat size; 670 W x 570mm D
- Seat height; 500 - 1050mm
- Backrest height; 460mm
- 220kg safe working load
- 2 year warranty

Product Code

- SCHC-EB

Why Buy

Caring for obese clients with traditional shower-toilet chairs is heavy work. The caregivers are obliged to work in unnatural postures and can suffer from static back strain. Lopital offers relief with the height-adjustable Elexo shower-toilet chair. The electric height-adjustability ensures that the seat reaches a maximum tilting angle of 20 degrees when at its maximum height, thereby creating the optimum seating balance for the client. It provides comfort with the ergonomically shaped seat, calf support and foldable extended armrests.

Bedside Commode

Removable padded seat, padded backrest, toilet seat and commode bowl.

Key Benefits

- Angled armrests to assist transfers
- Non-slip rubber tips
- Powder coated steel frame
- Overall size; 510 W x 550 D x 930 - 1080mm H
- Seat size; 440 x 440mm
- Seat height: 490 - 640mm
- Armrest height: 200mm
- Backrest height; 470mm
- Max user weight: 125kg
- 1 year warranty

Product Code

- CQHC-BE0190

Why Buy

Simply remove the padded seat to uncover a standard, lift-up toilet seat. There is a removable commode bowl with privacy lid. Adjust the height of this sturdy, lightweight seat by up to 150mm for the safety and comfort of any sized patient.

Premium Bedside Commode

A comfortable chair incorporating a slide-back padded seat with concealed toilet and commode bowl.

Key Benefits

- Three sided vanity skirt conceals commode bowl
- Thick padded seat slides back easily for access to commode
- Powder coated steel frame
- Overall size; 600 W x 500 D x 890 - 1040mm H
- Seat size; 450 x 450mm
- Seat height: 430 - 580mm
- Armrest height: 240mm
- Backrest height; 470mm
- Max user weight: 120kg
- 1 year warranty

Product Code

- CQHC-BE0020

Why Buy

Simply lift and slide back the thick padded seat to uncover a standard, lift-up toilet seat. There is a removable commode bowl with privacy lid. Adjust the height of this sturdy, seat by up to 150mm for the safety and comfort of any sized patient.
