# V-Card Folding Trolley

Shift clinical items quickly and effortlessly with healthcare's most popular clever, compact folding cart.

## Key Benefits

- | Total trolley weight only 10kg
- | Total basket weight only 1.8kg
- | 90kg carrying capacity (40kg top & 50kg bottom basket)
- | Trolley size: 1000 L x 600 W x 1070 H mm when assembled
- | Trolley size: 740 L x 540 W x 105 H mm when folded
- | Basket size: 560 L x 400 W x 260 H mm

## Product Codes

- V-Card with one Basket - SCMH-XC
- Extra Basket - SCMH-XCEB

## Why Buy

The V-Card is ideal for a wide range of uses within the healthcare workplace! It can be completely folded by the push of a button on the handle. The wheels can be removed and stored for compact transport and storage. A robust foot pedal brake allows the V-Card to be locked in position whilst loading or unloading.

Supplied with one collapsible basket which locks into place on the top or bottom platform also fits footscap suspension files. The top platform can be folded back to allow larger items to be transported if required. Extra baskets are available for both platforms or up to 4 baskets can be stacked on the bottom platform.

Now comes with fold away support bars to give extra carrying capacity to the top platform.

# Mobile IV Poles

Robust and sturdy IV Poles suitable for all departments.

## Key Benefits

- | Lightweight construction
- | Easy adjustable height
- | Available in two (2) or four (4) hook options
- | Nylon or alloy option bases

# Overbed Table - Gas Lift

A lightweight, mobile table with a one-piece molded top and effortless, gas adjustable height to use over beds and chairs.

## Key Benefits

- | Position with one hand at any height within the range
- | Gas assisted mechanism is quick and easy to operate
- | Seamless one-piece molded ABS plastic top is easy to clean
- | Soft raised lip edge helps prevent items from slipping off
- | Wide base for greater stability
- | U shape base enables the table to be positioned closer
- | Fitted with four swivel castors
- | Modern aluminium column and elliptical base frame
- | Table size of 900mm x 430mm
- | Table height adjustment of 725 - 1050mm
- | Inner base width of 750mm

## Product Code

- CQOT-EE0180

## Why Buy

The next generation of overbed tables and everything that the carers wanted, this table is easy to move, easy to adjust and easy to clean. The ultra strong, fully sealed one-piece table top is hygienic for the patient, safe and very easy to clean. Whilst very functional, it is also aesthetically pleasing for any modern healthcare facility too!

# Overbed Tables - Spring Lift

Traditional tables with spring balanced height adjustment for use over beds and chairs.

## Key Benefits

- | Lightweight mobile tables with adjustable height
- | Internal spring balance on the height adjustment
- | Four (4) swivel castors (2 x locking)
- | U shape base enables the table to be positioned closer
- | Wide bases for greater stability
- | Powder coated steel frame and laminate top surface
- | Twin column table size is 810mm x 450mm
- | Twin column height adjustment is 685 - 1000mm
- | Twin column internal base size is 735mm
- | Single column table size is 760mm x 400mm
- | Single column height adjustment is 730 - 960mm

## Product Codes

- Single Column; SCOT-SL
- Twin Column; SCOT-S

## Why Buy

These versatile, mobile spring-loaded tables provide a stable and supportive surface for activities such as eating or drinking. The adjustable height and spring loaded mechanisms are easy to operate, making the table ideal for multiple activity uses. The U shaped bases enable the tables to be positioned closer to the chair/ bed and the user. The table are also fitted with four dual wheel castors, two of which are locking.

Twin Column Table
