Freestanding Wire Bin Rack

Our simple and redesigned Freestanding Wire Bins Rack is your solution to maximising the use of restricted space areas and storage management of your sterile stock.

Key Benefits

- | Single column wire panel
- | Dimensions - 490W x 610D x 2130mm H
- | Chrome plated wire panels for ease of cleaning
- | Durable zinc plated and powder coated finish
- | Suits existing Selcare wire bins: S-XL
- | Works with other brand wire bins
- | Sturdy feet with rubber grippers
- | Adjustable feet to assist with leveling

Why Buy?

Do you require additional wire bins in your storeroom, however unable to mount wire panels to the wall? Are you requiring a storage solution in a room for only a temporary period of time?

Our Freestanding Wire Bins Rack enable you to set up wire bins and storage options before room fit outs are completed. They also prevent walls from being damaged or modified while saving time and costs. A simple system that can be built your way.

Wire bins and packages to fit these racks can be found on the [Wire Bins page here](#).

Wire Bin Sizes

5 standard bin sizes available individually or in cartons of 10

Key Benefits

- | Five (5) standardised sizes options
- | Extra Small to Extra Large
- | Range of weight storage capacity
- | Rounded and seamless edges
- | Extra support bars built in
- | Easy layout and customisable
- | Conform to Australian Standards
- | Ideal for infection / dust control
- | Two (2) year corrosion warranty

Why Buy?

We protect your staff from sharp edges. Our extra side support bars make a difference. The standardised bin sizes take away complexity.

Make clean storage simple with our 5 x Selcare wire bin sizes which are designed to work with traditional plastic storage buckets and mounting systems. The horizontal bars retain small items and a double safety edge assures no abrasion. Need even more space? Stack wire bins in seconds with the stable clip-on stacking frames.

Wire Bin Dimensions

Extra Small Bin - 175 D x 100 W x 85mm H

Small Bin - 220 D x 135 W x 125mm H

Medium Bin - 275 D x 200 W x 165mm H

Large Bin - 300 D x 435 W x 165mm H

Extra Large Bin - 450 D x 435 W x 220mm H

Weight Capacity (kgs)

- 10 x Extra Large Bin Stackers - SCWB-XLS10

Why Buy

Use these clever stacking frames to safely and efficiently stack up to a few bins high in seconds. Keep your workspace organised and save space on the floor, shelving units or a work bench.

Spacing between bins:

Extra Small Bins - 20mm

Small Bins - 30mm

Medium Bins - 40mm

Large Bins - 60mm

Extra Large Bins - 60mm

Extra Small Bin Stacker

Wire Bin Dividers

Choose from three (3) bin divider size options

Key Benefits

- | Safe, rounded edges
- | Easy and quick clip fastening
- | Chrome plated, easy to clean
- | To fit medium to extra-large bins
- | Conform to Australian Standards
- | Ideal for infection / dust control

Why Buy?

Simply clip these wire panel dividers into their matching bin size, to divide the wire bin into your choice of narrower compartments. This can help to manage long, thin items, keep products of the same type together or allow a greater amount of stock to be stored into a more compact space.

- 105 x 40mm Label Holders - SCWB-LH40
- 105 x 40mm Label Holders (100 Pack) - SCWB-LH40-100

Why Buy

Keep track of your important stock and know where it goes with a smart labeling system. Attach this simple clear plastic holder to any bin or shelving and clip in your customised cards to stay organised and in control.

Can be easily installed and used on [wire bins](#), [baskets](#), [drawer units](#) or [shelving](#)

Wire Bin Wall Mount

Compact bracket that mounts to a wall for holding individual wire bins.

Key Benefits

- | Stainless-steel bracket for wall fastening
- | Fits extra small wire bins
- | Conveniently mount wire baskets on walls
- | Reclaim unused wall space for storage
- | Mix baskets and positions for the best layout
- | Easy install and management

Product Code

- SCWB-WMB

Why Buy

Use these stainless-steel (202) brackets to conveniently mount single wire bins on the wall for easier access and storage where needed.

Dimensions: 30 H x 75mm W

Hanging guide:

- 1 required for extra small, small or medium baskets
- 2 required for large or extra-large baskets

Wire Shelving

Wire Shelf Dividers

Chrome shelf dividers in two (2) depth size options.

Key Benefits

- | Safe & rounded edges
- | Chrome plated & easy to clean
- | Available in two depths - 460 or 600mm
- | One (1) height option - 200mm

Product Codes

- Shelf Dividers 460mm - SMWC-D460
- Shelf Dividers 600mm - SMWC-D610

Why Buy

Simply clip these wire shelf dividers onto their matching shelf depths, to divide and provide separation for improved storage use and management. This can help to manage long, thin items, keep products of the same type together or allow a greater amount of stock to be stored into a set space.

These shelf dividers are best used on the following [mobile or static wire shelving](#).

Wire Shelf Divider 460mm

Wire Shelf Divider 600mm

Wire Shelf Ledge

Chrome shelf ledge in varies size options.

Key Benefits

- | Safe & rounded edges
- | Chrome plated & easy to clean
- | Available in a variety of lengths
- | One (1) height option - 100mm

Product Codes

- Shelf Ledge 460 L x 100mm H - SMWC-L460
- Shelf Ledge 610 L x 100mm H - SMWC-L610

Why Buy

Tailor made to fit your trolley or shelving unit, our flap back cover has a heavy duty zip running down each side of the front entrance flap, which can be folded right over to allow full access. These covers can be made fit most shapes and include other useful features such as push handle slots.

Wire Basket Units

Chrome Wire Basket Drawer Units with either a stainless-steel bench (Bench) or wire mesh (Under bench) top provides a strong and sturdy platform.

Wire Basket Trolleys

Wire Basket Units

Wire Basket Trolleys

A 'dust free' chrome wire basket trolley for transportation of clinical or general items.

Key Benefits

- | Four (4) chrome wire basket shelves
- | Narrow 455mm or Standard 680mm width options
- | Trolley & Under bench options
- | 100mm Lockable castors
- | Removable stainless-steel top

Wire Basket Trolleys

Standard Wire Basket Trolley
680 W x 455 D x 1030mm H

Narrow Wire Basket Trolley
455 W x 680 D x 1030mm H

Standard Under Bench Wire Basket Trolley
680 W x 455 D x 880mm H
Fits under most standard height benches.

Narrow Under Bench Wire Basket Trolley
455 W x 680 D x 880mm H
Fits under most standard height benches.

Why Buy

Chrome Wire Basket Trolley with a removeable stainless-steel top is strong and sturdy, yet lightweight for complete ease of movement. This unit combats the typical build-up of dust and bacteria that can be found on traditional solid shelf trolleys. Under bench trolley fits under most standard height benches.

Wire Basket Units

A 'dust free' chrome wire basket drawer unit for storage of clinical or general items.

Key Benefits

- | Four (4) wire drawer basket shelves
- | Adjustable feet
- | Narrow or Standard options
- | Stand-alone & Under bench options
- | Choice of wire mesh or stainless-steel top
- | Removable stainless-steel bench top

Wire Basket Units

Standard Wire Basket Bench Unit
680 W x 455 D x 920mm H
Comes standard with stainless-steel top.

Narrow Wire Basket Bench Unit
455 W x 680 D x 920mm H
Comes standard with stainless-steel top.

Standard Wire Under Bench Basket Unit
680 W x 455 D x 765mm H
Comes standard with removable mesh wire top. Fits under most standard height benches.

Narrow Wire Under Bench Basket Unit
455 W x 680 D x 765mm H
Comes standard with removable mesh wire top. Fits under most standard height benches.

Why Buy

Chrome Wire Basket Drawer Units with either a stainless-steel bench (Bench) or wire mesh (Under bench) top provides a strong and sturdy platform. This unit combats the typical build-up of dust and bacteria that can be found on traditional solid shelf units.

Standard Drawer Unit

Overall Dimensions: 680 W x 455 D x 920mm H
2 x 355 D x 585 W x 100mm H baskets + 2 x 355 D x 585 W x 180mm H baskets

Narrow Drawer Unit

Overall Dimensions: 455 W x 680 D x 920mm H
2 x 585 D x 355 W x 100mm H baskets + 2 x 585 D x 355 W x 180mm H baskets

Standard Under Bench Drawer Unit

(Fits under most standard height benches)
Overall Dimensions: 680 W x 455 D x 765mm H
2 x 355 D x 585 W x 100mm H baskets + 2 x 355 D x 585 W x 180mm H baskets

Narrow Under Bench Drawer Unit

(Fits under most standard height benches)
Overall Dimensions: 455 W x 680 D x 765mm H
2 x 585 D x 355 W x 100mm H baskets + 2 x 585 D x 355 W x 180mm H baskets

Single box holder

Triple box holder

Wire Bed Baskets

Chrome Wire basket designed to mount near beds to hold medical products or patient belongings.

Key Benefits

- Small Wide - 150 x 300 x 130mm
- Medium Wide - 150 x 500 x 130mm
- Small Tall - 150 x 350 x 250mm
- Large Tall - 150 x 500 x 250mm

Product Code (Single Basket)

- Small Wide - SCWB-SWBB
- Medium Wide - SCWB-MWBB
- Small Tall - SCWB-STBB
- Large Tall - SCWB-LTBB

Product Code (Carton Of 10))

- Small Wide - SCWB-SWBB10
- Medium Wide - SCWB-MWBB10
- Small Tall - SCWB-STBB10
- Large Tall - SCWB-LTBB10

Why Buy

Make clean storage simple with our wire bed baskets which are designed to work with our metal or wire louvre panel systems.

Small Wide

Medium Wide

Small Tall

Large Tall

Catheter Baskets

Ideal for storing catheters or other long items securely.

Key Benefits

- Chrome wire catheter baskets
- Can attach to wall using louvre panels or hooks, sit on bench/table or on shelving unit
- Vertical - 150mm wide x 130mm deep x 600mm high
- Small - 400mm long x 135mm wide x 130mm high
- Large - 600mm long x 135mm wide x 130mm high

Product Code

- Vertical - SCWB-CBV
- Small - SCWB-CBS
- Large - SCWB-CBL

Why Buy

There are a variety of ways catheter baskets are used to contain long or difficult to store items. They have been seen mounted to walls, beds, carts or trolleys and on shelving systems. The open chrome wire finish ensures they are low maintenance, remaining clean and dust free.

Chrome Basket Trolley

A 'dust free' basket trolley for transportation of clinical items.

Key Benefits

- | Chrome wire baskets with reinforced sides
- | 125mm castors - 2 with brake
- | Wheel corner bumpers

Product Code

- SCWT-CB

Why Buy

Strong and sturdy, yet lightweight for complete ease of movement, this unit combats the typical build up of dust and bacteria that can be found on traditional solid basket trolleys. Adjust and set the basket heights to your desired positions.

Urology Trolley

A specialised wire trolley with slide out baskets, hanging shelf and secure, fitted dust cover.

Key Benefits

- | Slide out wire baskets
- | Hanging shelf
- | Heavy duty clear PVC zipped cover with hold up clips
- | 6 x 125mm castors with 2 braking

Product Code

- SCWT-UT8

Why Buy

A very sturdy, yet light to move wire trolley designed with useful storage room. Generous hanging space below the slide-out shelf and easy to access deep storage baskets. The protection cover unzips down the two front corners and can be rolled up and secured at the top with tie straps.

3 Shelf Wire Trolley

A 'dust free' chrome wire shelf trolley for transportation of clinical or food items.

Key Benefits

- 3 adjustable wire shelves
- Built in push handles each end
- 910mm long x 610mm wide
- 1020mm handle height
- 900mm top shelf highest height
- 250mm bottom shelf lowest height
- 200kg total load capacity
- 125mm castors with 2 x locking

Product Code

- SCWT-3S

Why Buy

Strong and sturdy, yet lightweight for complete ease of movement, this unit combats the typical build up of dust and bacteria that can be found on traditional solid shelf trolleys. Adjust and set the shelves to your desired positions.

Dust Cover - Flap Back

Custom sizes made to your specifications in clear heavy duty PVC.

Key Benefits

- | Front opening flap-back design with hooks
- | Made from durable clear PVC
- | Size up to 1200 W x 600 D x 1800mm H
- | Extra-large custom sizes available
- | Easy to manage & clean
- | MADE IN QUEENSLAND

Product Codes (460mm D)

- Dust Cover to suit 610 x 1829 unit - SMDC-610x1829

Product Code Custom

- Custom Dust Covers - SCDC-CUSTOM (Include dimension requirements)

Why Buy

Tailor made to fit your trolley or shelving unit, our flap back cover has a heavy duty zip running down each side of the front entrance flap, which can be folded right over to allow full access. These covers can be made fit most shapes and include other useful features such as push handle slots.

Compactor Units

Our range of sizes ensure complete flexibility. Our simplified and faster assembly system will help you. With durable chrome plated steel wire to prevent dust from accumulating to help meet infection control standards.

Compactor Units

Compactor Units

The units stand 2100mm high with two choices in depth and four choices in length.

Key Benefits

- | 2100mm high
- | Shelf depths: 455 or 610mm options
- | Shelf lengths: 915, 1220, 1525 or 1830mm options
- | Mobile bays have large diameter castors for easy movement
- | Handles, shelf dividers and ledges are available
- | No floor tracks to gather debris or trip over
- | Conform to Australian Standards
- | Ideal for infection / dust control
- | Made from durable chrome plated steel wire
- | Two (2) year corrosion warranty

Dust Cover - Flap Back

Wire Bin Sizes

5 standard bin sizes available individually or in cartons of 10

Key Benefits

- | Five (5) standardised sizes options
- | Extra Small to Extra Large
- | Range of weight storage capacity
- | Rounded and seamless edges
- | Extra support bars built in
- | Easy layout and customisable
- | Conform to Australian Standards
- | Ideal for infection / dust control
- | Two (2) year corrosion warranty

Why Buy?

We protect your staff from sharp edges. Our extra side support bars make a difference. The standardised bin sizes take away complexity.

Make clean storage simple with our 5 x Selcare wire bin sizes which are designed to work with traditional plastic storage buckets and mounting systems. The horizontal bars retain small items and a double safety edge assures no abrasion. Need even more space? Stack wire bins in seconds with the stable clip-on stacking frames.

Wire Bin Dimensions

Extra Small Bin - 175 D x 100 W x 85mm H

Wire Bin Dividers

Choose from three (3) bin divider size options

Key Benefits

- | Safe, rounded edges
- | Easy and quick clip fastening
- | Chrome plated, easy to clean
- | To fit medium to extra-large bins
- | Conform to Australian Standards
- | Ideal for infection / dust control

Why Buy?

Simply clip these wire panel dividers into their matching bin size, to divide the wire bin into your choice of narrower compartments. This can help to manage long, thin items, keep products of the same type together or allow a greater amount of stock to be stored into a more compact space.

Wire Shelf Dividers

Chrome shelf dividers in two (2) depth size options.

Key Benefits

- | Safe & rounded edges
- | Chrome plated & easy to clean
- | Available in two depths - 460 or 600mm
- | One (1) height option - 200mm

Product Codes

- Shelf Dividers 460mm - SMWC-D460
- Shelf Dividers 600mm - SMWC-D610

Why Buy

Simply clip these wire shelf dividers onto their matching shelf depths, to divide and provide separation for improved storage use and management. This can help to manage long, thin items, keep products of the same type together or allow a greater amount of stock to be stored into a set space.

These shelf dividers are best used on the following [mobile or static wire shelving](#).

Wire Shelf Divider 460mm

Wire Shelf Divider 600mm

Wire Shelf Ledge

Chrome shelf ledge in varies size options.

Key Benefits

- | Safe & rounded edges
- | Chrome plated & easy to clean
- | Available in a variety of lengths
- | One (1) height option - 100mm

Product Codes

- Shelf Ledge 460 L x 100mm H - SMWC-L460
- Shelf Ledge 610 L x 100mm H - SMWC-L610
- Shelf Ledge 910 L x 100mm H - SMWC-L910

Why Buy

Tailor made to fit your trolley or shelving unit, our flap back cover has a heavy duty zip running down each side of the front entrance flap, which can be folded right over to allow full access. These covers can be made fit most shapes and include other useful features such as push handle slots.
