# Aquarius

A standard shower trolley designed to meet challenging budget constraints.

## Key Benefits

**Safe & secure:** The dropsides fold underneath the top and the liner side lays down to provide gap free patient transfers.

**Hygiene conscious:** Tilt the top 6 degrees and lower the drain hose tip to quickly remove waste water.

**Custom adjustments:** Raise or lower the height of your trolley to suit bed transfer or best working positions. You can also lock the removable end rails into two positions, allowing 120mm extra space for longer patients.

## Why Buy?

We are able to bring our Modsel shower trolley design quality to you at an affordable price, helping to meet tight budget constraints and maximising the number of working units available.

The refined framework and proven mechanics awards long life value and consists of considered, easy to clean surfaces coupled with quality twin wheel castors to ensure the highest level of manoeuvrability.

# Aquarius

## Safe Transfer

The drop sides fold underneath the top and the liner side lays down to provide gap free patient transfer.

## Easy drainage

Tilt the top and lower the drain hose tip to quickly remove waste water.

## Height adjustment

Raise or lower the height of your trolley to suit bed transfers or best working positions.

## Length adjustment

Lock the removable end rails (on each end of the top) into two positions, allowing 120mm extra space for longer patients.

## Junior size option

A special junior sized shower trolley developed for small patients. Working with children or small adults may not require a full sized shower trolley. Our junior sized version is also easier to move around in tight facilities and for storage.

## Specifications

**Size:** 795 W x 1950mm including bumpers

**Liner Inner Base Size:** 550 W x 1700 L x 180mm Deep

**Standard Hose Length:** 1100mm, custom lengths available

**SWL:** 180kg

**Height Range:** 680 to 880mm

**Castor Size:** Quality 125mm twin wheel castors with total lock and steer

**Junior Option:** 795 W x 1680mm including bumpers

**Junior Liner Base Size:** 550 W x 1450 L x 180mm Deep

## Product Code

Aquarius - MST-AQM

Aquarius Junior - MST-AQM-J

# Aquatuff

A stainless steel shower trolley with hydraulically operated 300kg SWL and wide top option.

## Key Benefits

**Safe & secure:** The dropsides fold underneath the top and the liner side lays down to provide gap free patient transfers.

**Hygiene conscious:** Tilt the top 2 degrees and lower the drain hose tip to quickly remove waste water.

**Custom adjustments:** Raise or lower the height of your trolley to suit bed transfer or best working positions. You can also lock the removable end rails into two positions, allowing 120mm extra space for longer patients.

## Why Buy?

Having equipment that is robust and completely reliable is of the utmost importance when caring for larger or heavier patients. We have over-engineered the componentry strength in this design and our decision to use total stainless steel reinforces the lifetime of value that this bariatric shower trolley will give. The hydraulic operation helps to safely lift 300kg without overload, whilst four twin wheels with brakes and wider top all increase versatility in special needs.

# Aquatuff

## Safe transfer

The dropsides fold underneath the top and the liner side lays down to provide gap free patient transfer.

## Easy drainage

Tilt the top and lower the drain hose tip to quickly remove waste water.

## Height adjustment

Raise or lower the height of your trolley to suit bed transfers or best working positions.

## Length adjustment

Lock the removable end rails (on each end of the top) into two positions, allowing 120mm extra space for longer patients.

## Wide top option

Add a 100mm wider top for larger patients with wide shoulders.

## Specifications

# Change Table

A purpose built, non-slip change mat for a solid, height adjustable and safe patient platform.

## Key Benefits

**Safe & secure:** The fold up dropsides and removable end rails ensure high levels of patient safety when required.

**Customisable design:** Tailor to your requirements with options such as electric high/low, 300kg SWL and wide tops.

## Why Buy?

This change mat expands the use of the Aquarius trolley into a very safe, height adjustable change table with multi-position, removable end rails and full length dropsides that fold back underneath the trolley top for ample work clearance. The mat securely fastens underneath the trolley top to prevent sliding and movement. This trolley is designed for harsh use and able to be rigorously cleaned.

# Change Table

## Safe design

The fold up dropsides and removeable end rails ensure a high level of patient safety when required.

## Customise

Tailor to your requirements with options such as electric high/low, 300kg SWL and wide tops.

## Specifications

**Size:** 795 W x 1950mm including bumpers and 25mm high density foam core

**Patient Surface Size:** 600 W x 1820mm Long

**Height Range:** 60 to 900mm (depending on trolley model)

**SWL:** Hydraulic 180kg or electric 300kg

**Castor Size:** Quality 125mm twin wheel castors with total lock and steer

**Options:** Both junior and wider sized available

## Product Code

MST-SA-CTU

# Custom Liner Colours

Change the colour of your shower trolley liner from the standard Royal Blue to a selection of light and dark colours.

## Key Benefits

- Heavy duty washable, non-stick vinyl
- Ask for the available colours

## Product Code

- MST-SA-CLC

## Why Buy

There are a selection of light and dark colours available in the high grade vinyl used for the Aqua liners, that you can choose as an optional upgrade. Please contact us to discuss your requirements and view a current colour chart.
