I-move Slim

I-move

A height adjustable rounds trolley with storage that is light and easy to move in tight spaces.

Key Benefits

Compact & simple: Light, easy to move and unobtrusive in tight spaces is the perfect partner to make sure your nursing rounds are efficient and easy

Tech support: Upgrade your I-move to support any and all of your IT requirements required for the job

Safe & secure: Option to add a Kensington lock to restrain valuable laptop hardware to keep safe as well as cable management options

Why Buy?

The i-move is an affordable and height adjustable rounds trolley. When it comes to moving laptops, tablets or simply pens and paper along with other clinical items, the only practical solution has been the traditional metal dressing trolley.

How good would it be to have a trolley that is light and easy to move, unobtrusive in tight spaces and that you can comfortably sit or stand at? Coupled with this is a convenient storage shelf and our ability to customise the top size and shape to totally suit your requirements!

I-move

I-move Chart

A compact chart trolley to maximise your working space with effortless positioning.

Key Benefits

Effortless adjustment: Simply squeeze the lever under the top and effortlessly adjust to your desired work height.

Custom options: Choose between retaining lip options to help retain items from sliding off or remove the push handles if not required for a slim finish, the choice is yours!

Simple storage: Generous storage space under the top allow you to store extra items in a safer manner.

Why Buy?

With clips on all sides of the top and designed to hold two A3 sheets of paper side by side, the i-move chart trolley secures charts from any position to ensure writing and reading is easy. The compact footprint of this trolley with a height adjustable 700mm square top with storage, has been carefully considered to maximise your working space and help in quick, effortless positioning.

I-move Chart

Retaining edge
