V-Cart Folding Trolley

Shift clinical items quickly and effortlessly with healthcare's most popular clever, compact folding cart.

Key Benefits

- | Total trolley weight only 10kg
- | Total basket weight only 1.8kg
- | 90kg carrying capacity (40kg top & 50kg bottom basket)
- | Trolley size: 1000 L x 600 W x 1070 H mm when assembled
- | Trolley size: 740 L x 540 W x 105 H mm when folded
- | Basket size: 560 L x 400 W x 260 H mm

Product Codes

- V-Cart with one Basket - SCMH-XC
- Extra Basket - SCMH-XCEB

Why Buy

The V-Cart is ideal for a wide range of uses within the healthcare workplace! It can be completely folded by the push of a button on the handle. The wheels can be removed and stored for compact transport and storage. A robust foot pedal brake allows the V-Cart to be locked in position whilst loading or unloading.

Supplied with one collapsible basket which locks into place on the top or bottom platform also fits foolscap suspension files. The top platform can be folded back to allow larger items to be transported if required. Extra baskets are available for both platforms or up to 4 baskets can be stacked on the bottom platform.

Now comes with fold away support bars to give extra carrying capacity to the top platform.

Viva Utility
