Rounds Trolleys

Moving IT hardware, stationery and other essential clinical items is a necessity, so a functional solution is needed. Our height-adjustable rounds trolleys are built to be light and easy to move, and their clever design means they're unobtrusive in tight spaces without sacrificing secure storage.

I-move

I-move Chart

I-move Drawer

I-move Slim

I-move

A height adjustable rounds trolley with storage that is light and easy to move in tight spaces.

Key Benefits

Compact & simple: Light, easy to move and unobtrusive in tight spaces is the perfect partner to make sure your nursing rounds are efficient and easy

Tech support: Upgrade your I-move to support any and all of your IT requirements required for the job

Safe & secure: Option to add a Kensington lock to restrain valuable laptop hardware to keep safe as well as cable management options

Why Buy?

The i-move is an affordable and height adjustable rounds trolley. When it comes to moving laptops, tablets or simply pens and paper along with other clinical items, the only practical solution has been the traditional metal dressing trolley.

How good would it be to have a trolley that is light and easy to move, unobtrusive in tight spaces and that you can comfortably sit or stand at? Coupled with this is a convenient storage shelf and our ability to customise the top size and shape to totally suit your requirements!

I-move

Storage space

Convenient storage space with retaining lip across the front.

Customisable

Use our standard work surface or customise to suit your specific requirements.

Height adjustable

Simply squeeze the lever under the top and effortlessly adjust to your desired work height.

Storage compartment

Add a removable stainless steel storage compartment for cables / pens etc.

Power supply holder

Securely hold a laptop power supply for easy charging.

Kensington lock

Restrain valuable laptop hardware to keep it safe.

Add your IT

Add your own holders to suit the specific IT hardware in use.

Specifications

Size: Compact, easy to clean top - 550mm wide x 560mm deep

Height adjustable: From 840mm to 1140mm

Storage size: Convenient 100mm storage space with lip

Product Codes

I-Move Trolley - MCT-IM-LHA

Removable Storage Container - MCT-IMA-SC

Power Supply Holder - MCT-IMA-PCH

Kensington Lock - MCT-IMA-KL

I-move Chart

A compact chart trolley to maximise your working space with effortless positioning.

Key Benefits

Effortless adjustment: Simply squeeze the lever under the top and effortlessly adjust to your desired work height.

Custom options: Choose between retaining lip options to help retain items from sliding off or remove the push handles if not required for a slim finish, the choice is yours!

Simple storage: Generous storage space under the top allow you to store extra items in a safer manner.

Why Buy?

With clips on all sides of the top and designed to hold two A3 sheets of paper side by side, the i-move chart trolley secures charts from any position to ensure writing and reading is easy. The compact footprint of this trolley with a height adjustable 700mm square top with storage, has been carefully considered to maximise your working space and help in quick, effortless positioning.

I-move Chart

Retaining edge

The push handles with retaining lip help to retain items from sliding off.

Angled top

The top surface is sloped to a comfortable working angle.

Storage compartment

There is generous storage for extra items under the top.

Height adjustable

Simply squeeze the lever under the top and effortlessly adjust to your desired work height.

Lip option

Remove the push handles if not required for a slim finish

Specifications

Size: 520 x 710mm with safe rounded edges

Height Range: Gas assisted height adjustment from 800 - 1100mm (top of push handle)

Designed For: 4 x A4 sheets, 2 x A3 sheets or 1 x A2 sheet

Castor Size: 75mm diameter twin wheel castors (2 locking)

Includes: 4 x stainless steel spring clips, rear storage compartment under the top & retaining lip options across the bottom of the work surface

Product Code

- 1010mm H x 5 Drawer - CQPC-GC2490

Why Buy

The Proceed Wide is available as the cart only or can be supplied with a full package of accessories. You can now gain the most in stock security and efficiency. There is also standard width and compact carts available.

Internal Drawer Dimensions

Small - 75 H x 830 W x 395mm D

Medium - 155 H x 830 W x 395mm D

Large - 234 H x 830 W x 395mm D

Viva Origin

Our simplified economy cart to meet standard requirements or important budget constraints.

Key Benefits

- | 690 W x 540 D x 970mm H
- | Drawer layout (4 Drawer): 3 x 155mm, and 1 x 234mm
- | Drawer layout (5 Drawer): 2 x 75mm, 2 x 155mm, and 1 x 235mm
- | Drawer capacity: 15kg per each drawer
- | Castors consist of 3 x brake and 1 x directional
- | Heavy duty 125mm castors with precision bearings
- | One piece moulded plastic top with a small recess to prevent items rolling off
- | Push handle comes standard on the left hand side
- | Moulded and unobtrusive corner bumpers

Product Codes

- 4 Drawer - CQEC-GC0850
- 5 Drawer - CQEC-GC0860

Why Buy

Whilst the Origin cart is still constructed of the same tough materials and finish of all Viva carts with quality drawers, it does not have the slide-out side work surface or the corner extrusions that allow infinite positioning of many accessories. If you simply need just a cart, then this unit is well worth looking at.

Internal Drawer Dimensions

Small - 75 H x 565 W x 395 D mm

Medium - 155 H x 565 W x 395 D mm

Large - 234 H x 565 W x 395 D mm

4 Drawer - 955mm H

Viva Origin - Compact

Our simplified economy cart for confined work spaces and to meet important budget constraints.

Key Benefits

- | 520 wide x 540mm deep
- | 3 cart heights with various drawer combinations
- | Castors consist of 3 x brake and 1 x directional
- | Heavy duty 100mm castors with precision bearings
- | One piece molded plastic top with a small recess to prevent items rolling off
- | Push handle comes standard on the left hand side
- | Molded and unobtrusive corner bumpers

Product Codes

- 870mm H x 5 Drawer - CQEC-GC1440
- 950mm H x 5 Drawer - CQEC-GC1450
- 1020mm H x 6 Drawer - CQEC-GC1460

Why Buy

Whilst the Origin compact cart is still constructed of the same tough materials and finish of all Viva carts with quality drawers, it does not have the slide-out side work surface or the corner extrusions that allow infinite positioning of many accessories. If you have limited space and need just a cart, then this unit is it.

Internal Drawer Dimensions

Small - 75 H x 375 W x 395mm D

Medium - 155 H x 375 W x 395mm D

Large - 234 H x 375 W x 395mm D

5 Drawer - 950mm H

6 Drawer - 1020mm H

Viva Medicate - Weave

V-Cart Folding Trolley

Shift clinical items quickly and effortlessly with healthcare's most popular clever, compact folding cart.

Key Benefits

- | Total trolley weight only 10kg
- | Total basket weight only 1.8kg
- | 90kg carrying capacity (40kg top & 50kg bottom basket)
- | Trolley size: 1000 L x 600 W x 1070 H mm when assembled
- | Trolley size: 740 L x 540 W x 105 H mm when folded
- | Basket size: 560 L x 400 W x 260 H mm

Product Codes

- V-Cart with one Basket - SCMH-XC
- Extra Basket - SCMH-XCEB

Why Buy

The V-Cart is ideal for a wide range of uses within the healthcare workplace! It can be completely folded by the push of a button on the handle. The wheels can be removed and stored for compact transport and storage. A robust foot pedal brake allows the V-Cart to be locked in position whilst loading or unloading.

Supplied with one collapsible basket which locks into place on the top or bottom platform also fits footscap suspension files. The top platform can be folded back to allow larger items to be transported if required. Extra baskets are available for both platforms or up to 4 baskets can be stacked on the bottom platform.

Now comes with fold away support bars to give extra carrying capacity to the top platform.

Cart Accessories

We understand that operational requirements can demand additional functionality, and can help make your work easier with a range of standard and customised accessories for medical carts and trolleys.

- Small Adjustable Divider Set - CQCA-GZ1510
- Small Adjustable Divider Set (Compact Cart) - CQCA-GZ1400

Why Buy

Designed to fit the Viva cart drawer sizes, these dividers are available in two standard heights with preset positions to suit most clinical requirements. Constructed from very tough, clear and easy-to clean plastic.

Cart Accessory Bridge & Rear Posts

Mount many accessories in any position and height to suit your requirements.

Key Benefits

- | Increase accessory layout options
- | Rear mounted in unused space
- | Vertical & horizontal layout
- | Easy to install & adjust

Product Codes

- Cart Accessory Rear Posts - CQCA-GZ1310
- Cart Accessory Bridge - CQCA-GZ2470
- Cart Accessory Posts & Bridge Bundle - CQCA-GZ1310/CQCA-GZ2470

Why Buy

Operational requirements for standard and specialised carts is ever changing in the healthcare environment. When cart drawer or side accessory space is taken up or not an option, affixing rear mounted accessory posts and bridge allows more options.

Available as individual products, the Accessory Posts (CQCA-GZ1310) and Accessory Bridge (CQCA-GZ2470) combine to offer a wider accessory and storage offering.

Images are illustrative only. Cart not included.

Cart Accessory Rear Posts

Cart Accessory Bridge

Cart Bougie/Catheter Holder

A selection of solid plastic or wire holders to fit onto any Viva cart.

Key Benefits

- Plastic holder dimensions: 840 L x 150 W x 50mm D
- Capped at bottom and fits 500, 600 & 800mm Bougies/Catheters
- Coated wire holder dimensions: 100 x 100 x 480mm
- Bolts to side accessory rails (included)

Product Codes

- Plastic Holder - CQCA-BCH
- Wire Holder - CQCA-GZ1330

Why Buy

Choose from our custom plastic holders or coated wire design to securely hold catheters. These holders can be mounted to our Viva range of carts or alternatively for any other solution such as walls or beds.

Cart BD Sharps Holder - Large

Holder for a large BD Sharps container.

Key Benefits

- Powder coated wire basket
- Attach to any cart
- 270 wide x 200 deep x 240mm high

Product Code

- CQCA-GZ0120

Cart BD Sharps Holder - Small

Holder for a small BD Sharps container.

Key Benefits

- Coated wire basket
- Attach to any cart
- 240 wide x 150 deep x 120mm high

Product Code

- CQCA-GZ0130

Cart Bottle Holder

Side or rear mounted coated wire bottle holder.

Key Benefits

- | 355 x 95 x 80mm
- | Plastic coated metal

Product Code

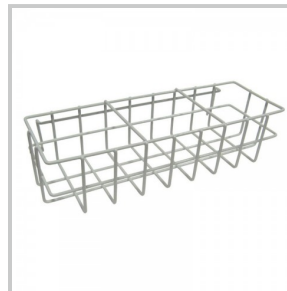

- CQCA-GZ1300

Why Buy

Ensure critical stock is organised and easy to find - these bottle holders provide easy access and storage.

A mounting bar is included with the Cart Bottle Holder. To mount to the top rear of a cart, you require one (1) set of [Cart Accessory Bridge & Rear Posts \(CQCA-GZ1310/CQCA-GZ2470\)](#).

Images are illustrative only. Accessory Bridge & Cart not included.

Cart Breakaway Lock

Metal locking bar or tabs to retain drawers with tamper seals.

Key Benefits

- | Hinged metal flap
- | Lock all drawers with a single bar
- | Lock individual drawers with tabs
- | Locking bar and tab colour options
- | Tamper proof seal options

Product Codes

- Full Locking Bar - CQCA-BLB
- Drawer Locking Tab - CQCA-BLT

Why Buy

Choose to either lock out an entire cart with one seal, just lock out specific drawers or lock out every drawer individually with these strong metal, swing open flaps.

Cart Tamper Proof Seals

Individually serial numbered safety breakaway lock tabs.

Key Benefits

- Manufactured from biodegradable polypropylene material.
- Average breaking strength is 6kg - ideal for resus carts.
- Overall length: 230mm.
- Operational length: 170mm with flag size 30mm x 18mm.
- Strap width: 2.7mm
- Individually serial numbered.
- Available in packs of 50 - 5 lots of 10 seals.

Product Code

- 50 Pack: CQCA-TPSP-50

Why Buy

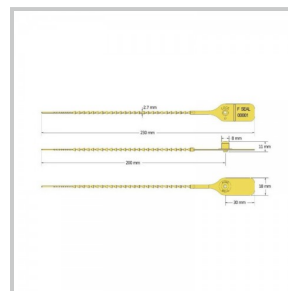

The Select tamper evident seal is a low breaking strength pull tight seal manufactured from biodegradable polypropylene material.

These large, visible tags can be written on, plus unique numbering on seals can be recorded in a database/spreadsheet.

The seal is supplied with a heat rolled-over top to prevent tampering by intrusion into the locking head.

Recommended applications apart from Resus Cart monitoring:

- First Aid Kits
- Fire Extinguishers
- Ambulance Emergency Medication Kits
- Anti-venom Kits

Cart Tamper Proof Seal measurements

Cart CPR Board

Tough, clear CPR board designed to hang on the back of Viva emergency resus carts.

Key Benefits

- 440 H x 510 L x 10mm W
- High strength perspex board
- Smooth, rounded edges

Product Code

- CQCA-GZ1850

Cart Difficult Airways Decal Set

We can custom design and apply decal sets to improve the functionality of your cart.

Product Code

- CQCA-DAS

Why Buy

A set of high quality vinyl decals custom designed to be applied to each drawer size chosen on any cart. Add details such as visual images, colour coding and descriptions to ensure ease in a high pressure environment.

Sugammadex	Fibreoptic extras

Cart Document Holder

Document holder that mounts to the side accessory rail.

Key Benefits

- 255 x 160 x 330mm
- Coated wire basket

Product Code

- CQCA-GZ1380

Cart Defibrillator Shelf

Adjustable width and height shelf with safety tie straps.

Key Benefits

- Rotates 360°, lockable
- Height adjustment
- Adjustable sides and tie straps

Product Code

- CQCA-GZ1370
- Defibrillator Shelf - Custom - CQCA-GZ1370/CUSTOM

Why Buy

Use the standard Viva cart defib shelf or we can custom design and build a shelf to any size to suit your requirements.

Cart Daniels Sharps Holder

Holder for a Daniels Sharps container.

Key Benefits

- White powder coated basket
- Attach to any cart
- 350 wide x 210mm deep

Product Code

- CQCA-GZ0530

Cart Dropdown Work Surface

Add even more space with a strong, fold-away metal work shelf.

Key Benefits

- Sturdy powder coated metal work surface
- 350mm wide x 345mm deep

Product Code

- CQCA-GZ1830

Why Buy

This convenient shelf mounts onto the side of Viva carts and simply lifts and locks into position. Squeeze a release lever underneath to fold away.

Cart File Holder

Wire holder that mounts to the side accessory rail.

Key Benefits

- 571 x 397 x 150mm
- Coated wire basket.

Product Code

- CQCA-GZ1520

Cart Garbage Bin

Quality moulded plastic bin in coated wire holder.

Key Benefits

- 255 x 170 x 315mm

Product Code

- CQCA-GZ1530

Cart Glove Dispenser

Wire glove box holder that mounts to the side of a cart or on an accessory rail.

Key Benefits

- | Mounts to top, back or side of carts
- | Coated wire basket

Product Code

- CQCA-GZ1550

Why Buy

Ensure critical stock is organised and easy to access - these wire glove box holders provide effective storage for quick dispensing.

A mounting bar is included with the Cart Glove Dispenser. To mount to the top rear of a cart, you require one (1) set of [Cart Accessory Bridge & Rear Posts \(CQCA-GZ1310/CQCA-GZ2470\)](#).

Images are illustrative only. Accessory Bridge & Cart not included.

Cart High Mount Cable Holder

Rear mounted cable holder with multiple hooks to help keep cables and other accessories tidy.

Key Benefits

- Suits most Viva Carts
- Powder coated aluminium
- Custom designs available

Product Code

- CQCA-HMCH

Cart IV Pole

Easy to use IV pole that mounts to either the left or right hand rear corners of a Viva cart.

Key Benefits

- 2 Hooks
- Easy height to adjustment, lift lever to unlock telescope

Product Code

- CQCA-GZ1600

Cart Laptop Holder - Standard

Useful and effective notebook or laptop holder

Key Benefits

- | Securely holds notebook, laptop or small monitor
- | Short two (2) direction swivel
- | Cost efficiently upgrade your existing carts
- | Easily mounted onto a cart accessory pole
- | Right or left side mounting options

Product Codes

- Standard Swivel Mount - CQCA-GZ1700
- Notebook Holder - CQCA-GZ2770
- Right Hand Mounted Support Pole - CQCA-GZ2430
- Left Hand Mounted Support Pole - CQCA-GZ2420

Why Buy

Notebook or laptop holder fixed to a short swivel arm that allows positioning in two directions. This can be easily mounted onto a cart accessory pole.

Standard Swivel Mount

Notebook or Laptop Holder

Cart Laptop Holder - Long Arm

Long arm notebook or laptop holder

Key Benefits

- | Securely holds notebook, laptop or small monitor
- | Long multi-direction swiveling arm
- | Cost efficiently upgrade your existing carts
- | Easily mounted onto a cart accessory pole
- | Right or left side mounting options

Product Codes

- Long Swivel Arm - CQCA-GZ1610
- Notebook Holder - CQCA-GZ2770
- Right Hand Mounted Support Pole - CQCA-GZ2430
- Left Hand Mounted Support Pole - CQCA-GZ2420

Why Buy

Notebook, laptop or monitor holder fixed to a long swivel arm that allows positioning in any direction. This can be easily mounted onto a cart accessory pole.

Long Arm Swivel Mount

Notebook or Laptop Holder

Cart Support Pole

IT support pole that mounts to the left or right hand side of a Viva cart.

Product Code

- CQCA-GZ2420

Product Codes

- Left Hand Mount; CQCA-GZ2420
- Right Hand Mount; CQCA-GZ2430

Why Buy

Rigid metal pole that facilitates the mounting of computer hardware and swivel arms. Mounts to either side of a most carts and is height adjustable.

Cart Lockable Narcotics Drawer

Separately lockable blue compartment.

Key Benefits

- Open drawer and lid hinges up for access
- For use in the top 75mm drawer only

Product Code

- CQCA-GZ0950

Why Buy

Store critical or high risk supplies in this secure compartment. While the main cart drawers can all be locked out together, this safety seal inside a drawer can be separately locked to allow quick access to the entire cart and maintain one independently locked compartment.

Cart Large Push Handles

Large metal push handles designed for greater control over heavy carts.

Product Code

- CQCA-GZ2440

Why Buy

If a cart is required to be heavier than normal or is being pushed over long distances including outdoor terrain, these large handles help to maintain better control with more holding options and a comfortable stance.

Cart Tilt Bin Set

Removable tilt bins that can be bolted to carts or walls.

Key Benefits

- | Removable and adaptable
- | Easy additional storage
- | Access & organising an ease
- | Eye-height viewing

Product Codes

- Small - CQCA-GZ1780
- Large - CQCA-GZ1770
- Extra-Large - CQCA-GZ1760

Why Buy

Ensure critical stock is organised and easy to find. These bins tilt out for access, store with a clear front for convenient level viewing and have labeling space. Each bin can be lifted out for easy cleaning.

Available in the following bin layout and size options:

- | Small - 12 Bins
- | Large - 6 Bins
- | Extra Large - 4 Bins

To mount to the top rear of a cart, this product requires one (1) set of [Cart Accessory Rear Posts \(CQCA-GZ1310\)](#).

Small bin set - 12 bins

Large bin set - 6 bins

Extra-large bin set - 4 bins

Cart Multi-Storage Basket

Multi purpose basket that attaches to the accessory rails.

Key Benefits

- | 320 W x 120 D x 175mm H
- | Coated wire basket
- | Hangs on rail

Product Code

- CQCA-GZ1650

Why Buy

Ensure critical stock is organised and easy to find.

A mounting bar is included with the Cart Multi Storage Basket. To mount to the top rear of a cart, you require one (1) set of [Cart Accessory Bridge & Rear Posts \(CQCA-GZ1310/CQCA-GZ2470\)](#).

Images are illustrative only. Accessory Bridge & Cart not included.

Cart Oxy Holder C-Size

Backing plate with straps to secure an oxy cylinder.

Key Benefits

- Metal backing frame
- Adjustable straps with snap buckle

Product Code

- CQCA-GZ1660

Why Buy

Mount this holder to the side or back of a cart to ensure an oxy bottle is secure and within easy reach when needed quickly.

Cart Push Handle - Standard

Add an extra handle to a cart if required.

Product Code

- CQCA-GZ1670

Cart Sharps Container Set

Standard Viva sharps container and holder.

Key Benefits

- Plastic container in coated wire basket
- Snap on lid for security

Product Code

- CQCA-GZ1690

Cart Side Drawer Set

Plastic tilt doors for extra storage that requires quick and easy access.

Key Benefits

- 450 x 120 x 665mm

Product Code

- CQCA-GZ1900

Cart Suction Pump Holder

Metal tray with sides. Custom designs available.

Key Benefits

- 215 x 395 x 115mm

Product Code

- CQCA-GZ1750
- Suction Pump Holder - Custom - CQCA-GZ1750/CUSTOM

Cart Waste Bin

Open top bin that can be mounted to the side of a cart.

Key Benefits

- 365 x 255 x 460mm
- 19L Capacity
- Mounts onto all carts.

Product Code

- CQCA-GZ1810/GZ2630

Cart Waste Container Set

Quality moulded plastic bin in coated wire holder.

Key Benefits

- 255 x 170 x 315mm
- Rotate opening lid, lift off to empty

Product Code

- CQCA-GZ1820

Why Buy

This wire basket mounts onto the side of Viva carts, allowing the matching bin to be easily removed if required. The flip top opening of the bin ensures safe storage of contaminated items.

Wire Trolleys

Transport your goods with lightweight, clean wire-shelf and wire-basket trolleys. If your needs extend outside these products, please get in touch and we can help.

Stainless Sliding Basket Trolley

Wire Basket Trolleys

Wire Drawer Units

Chrome Basket Trolley

Urology Trolley

3 Shelf Wire Trolley

Stainless Sliding Basket Trolley

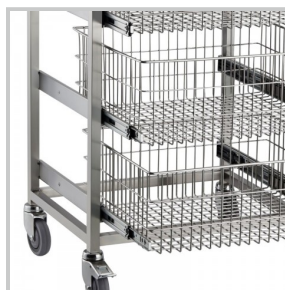

Fully welded stainless steel trolley and baskets.

Key Benefits

- | Dimensions 585 W x 455 D x 1000mm H
- | 2 x 100mm deep baskets
- | 2 x 200mm deep baskets
- | Constructed from stainless steel
- | Fully welded joints for infection control
- | Conforms to Australian Standards
- | Ideal for infection / dust control

Product Code

- 900 H x 600 W x 500 D mm - SCS5-4W585

Wire Basket Trolleys

A 'dust free' chrome wire basket trolley for transportation of clinical or general items.

Key Benefits

- | Four (4) chrome wire basket shelves
- | Narrow 455mm or Standard 680mm width options
- | Trolley & Under bench options
- | 100mm Lockable castors
- | Removable stainless-steel top

Wire Basket Trolleys

Standard Wire Basket Trolley
680 W x 455 D x 1030mm H

Narrow Wire Basket Trolley
455 W x 680 D x 1030mm H

Standard Under Bench Wire Basket Trolley
680 W x 455 D x 880mm H
Fits under most standard height benches.

Narrow Under Bench Wire Basket Trolley
455 W x 680 D x 880mm H
Fits under most standard height benches.

Why Buy

Chrome Wire Basket Trolley with a removeable stainless-steel top is strong and sturdy, yet lightweight for complete ease of movement. This unit combats the typical build-up of dust and bacteria that can be found on traditional solid shelf trolleys. Under bench trolley fits under most standard height benches.

Standard Trolley Basket

Overall Dimensions: 680 W x 455 D x 1030mm H
2 x 355 D x 585 W x 100mm H baskets + 2 x 355 D x 585 W x 180mm H baskets

Narrow Trolley Basket

Chrome Basket Trolley

A 'dust free' basket trolley for transportation of clinical items.

Key Benefits

- Chrome wire baskets with reinforced sides
- Overall size; 760 long x 460 wide x 1000mm high
- Upper basket size; 700 long x 415 wide x 240mm high
- Lower basket size; 700 long x 415 wide x 140mm high
- 125mm castors - 2 with brake
- Wheel corner bumpers

Product Code

- SCWT-CB

Why Buy

Strong and sturdy, yet lightweight for complete ease of movement, this unit combats the typical build up of dust and bacteria that can be found on traditional solid basket trolleys. Adjust and set the basket heights to your desired positions.

Urology Trolley

A specialised wire trolley with slide out baskets, hanging shelf and secure, fitted dust cover.

Key Benefits

- 930mm long x 610mm deep x 1760mm high chrome wire trolley
- 8 x sliding baskets - 330mm wide x 540mm deep x 170mm high
- 1 x sliding stainless steel hanging shelf - 390mm wide x 600mm deep
- 6 x 125mm castors with 2 braking
- Heavy duty clear PVC zipped cover with hold up clips

Product Code

- SCWT-UT8

Why Buy

A very sturdy, yet light to move wire trolley designed with useful storage room. Generous hanging space below the slide-out shelf and easy to access deep storage baskets. The protection cover unzips down the two front corners and can be rolled up and secured at the top with tie straps.

3 Shelf Wire Trolley

A 'dust free' chrome wire shelf trolley for transportation of clinical or food items.

Key Benefits

- 3 adjustable wire shelves
- Built in push handles each end
- 910mm long x 610mm wide
- 1020mm handle height
- 900mm top shelf highest height
- 250mm bottom shelf lowest height
- 200kg total load capacity
- 125mm castors with 2 x locking

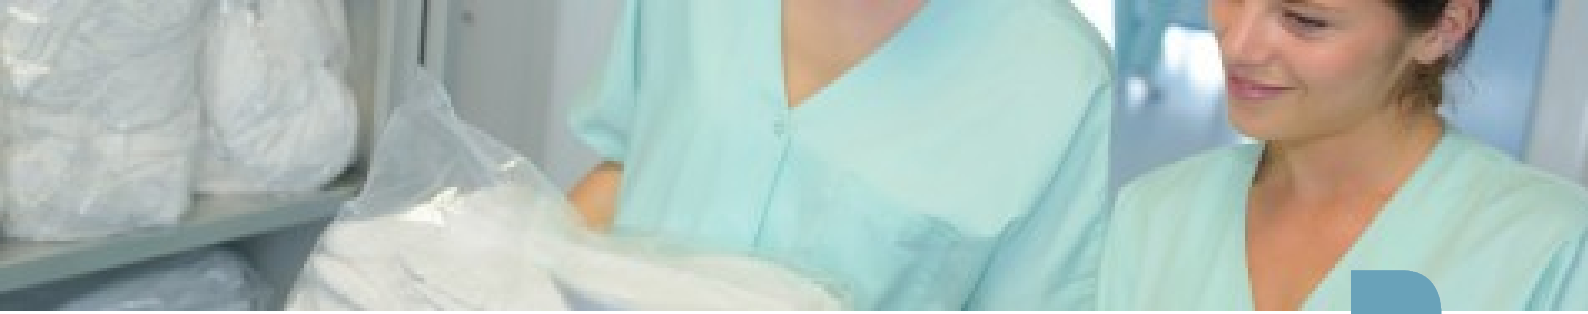

Product Code

- SCWT-3S

Why Buy

Strong and sturdy, yet lightweight for complete ease of movement, this unit combats the typical build up of dust and bacteria that can be found on traditional solid shelf trolleys. Adjust and set the shelves to your desired positions.

Linen Trolleys

Handle both wet and dry linen with ease, using reliable, quality equipment. Efficiency is everything in the collection and distribution of these supplies, which play a critical part in the recovery of your patient.

Linen Skips

Mesh Linen Trolley

Large Linen Trolley

Mesh Linen Trolley

Tough trolleys with a 'back saving' spring return base, typically used for wet or dry linen.

Key Benefits

- Steel mesh sides and fully welded frame
- Spring loaded base
- Smooth powder coated finish
- Quality 125mm castors

Trolley Dimensions

- Small 1020 H x 600 W x 900 D mm
- Large 1050 H x 650 W x 1200 D mm

Product Codes

- Large - SCLT-WDLT381
- Small - SCLT-WDLT380

Why Buy

Help reduce back stress by loading or unloading these trolleys with a balanced sprung base that rises and falls as the load changes. Heavy duty construction ensures a long life of harsh use.

Small

Large Linen Trolley

Transfer bulk clean linen items in a variety of large trolley styles.

Key Benefits

- For clean linen use
- 2 x Push handles
- Powder coated sheet steel, mesh steel or stainless steel options
- Shelf dimensions 1000 W x 500 D mm
- 4 x 150mm swivel castors; 2 locking
- Front PVC Hygiene Cover option available

Trolley Dimensions

- All trolleys are 1450 H x 1150 W x 550 D mm

Product Codes

- Large Linen Trolley - SCLT-LTL301
- Large Linen Trolley with Cover - SCLT-LTL301/LTLFLAP
- Large Linen Trolley Mesh Sides - SCLT-LTL301M
- Large Linen Trolley Stainless Steel - SCLT-LTL301SS

Why Buy

Whether it is standard linen transportation, special dust free requirements or working in harsh chemical or wet environments, we can help you get your job done in the most cost effective and efficient way.

Storage Basket Trolley

A range of double and single sided trolleys with personal slide-out storage baskets.

Key Benefits

- Single or Double-sided slide-out plastic storage baskets
- Fully welded powder coated steel construction
- Quality 125mm castors
- Corner buffers and push handle

Trolley Dimensions

- Single sided 15 baskets - 1220 H x 1450 W x 500 D mm
- Single sided 18 baskets - 1420 H x 1450 W x 500 D mm
- Single sided 21 baskets - 1500 H x 1450 W x 500 D mm
- Single sided 15 baskets inc. garment - 1220 H x 1720 W x 500 D mm
- Single sided 18 baskets inc. garment - 1420 H x 1720 W x 500 D mm
- Single sided 21 baskets inc. garment - 1500 H x 1720 W x 500 D mm
- Double sided 24 baskets inc. garment - 1420 H x 1450 W x 660 D mm
- Double sided 28 baskets inc. garment - 1500 H x 1450 W x 660 D mm

Product Codes (Single Sided)

- V-Card with one Basket - SCMH-XC
- Extra Basket - SCMH-XCEB

Why Buy

The V-Card is ideal for a wide range of uses within the healthcare workplace! It can be completely folded by the push of a button on the handle. The wheels can be removed and stored for compact transport and storage. A robust foot pedal brake allows the V-Card to be locked in position whilst loading or unloading.

Supplied with one collapsible basket which locks into place on the top or bottom platform also fits footscap suspension files. The top platform can be folded back to allow larger items to be transported if required. Extra baskets are available for both platforms or up to 4 baskets can be stacked on the bottom platform.

Now comes with fold away support bars to give extra carrying capacity to the top platform.

Viva Utility

Designed to make medical supply fast and efficient.
